A Higher Standard: The Commercial Real Estate Certification You've Been Waiting For

We are pleased to introduce the new **Certified Manager of Commercial Properties™ (CMCP™)**, a certification designed for early-career property professionals who are looking to validate their industry knowledge and take their careers in commercial real estate to the next level.

As the only certification of its kind in the industry, the CMCP instantly communicates your ability to be an effective commercial property manager and your strong understanding of the responsibilities of the role. Earning the CMCP certification is the first step in building a successful career in commercial real estate.

The CMCP certification is administered by the Commercial Real Estate Certification Institute (CRECI), an independent certification institute created by BOMA International and BOMI Certification, Inc.
